

VOICE RELEASE

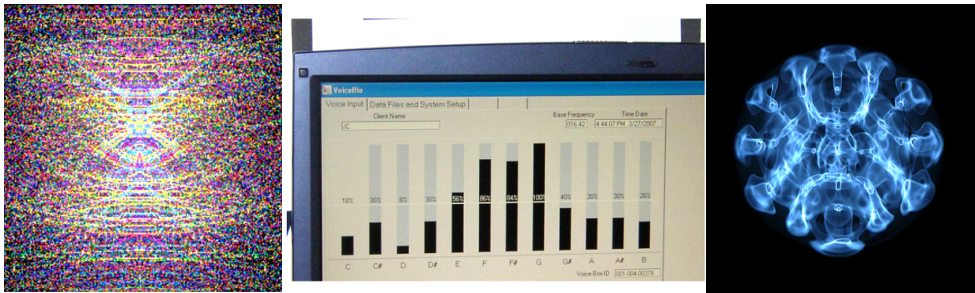

Heal your Voice, Heal your Life with Jan Jorgensen RN, CMP, PhD, Rev

June 1

YOUR VOCAL PROFILE

- Represents every aspect of you and the frequencies can be plotted scientifically
- Magnetizes or repels others repeatedly until you change the profile
- Can be shifted with focus and attention

The Voice Bio tells all

How to Shift Your Vocal Profile and Begin a Happier Life

- Release Early childhood memory traumas with therapy
- Exercise to reduce stress and eat a varied diet
- Sing, hum or tune up your bio-resonant field to build resiliency
- Identify stressors, habits and patterns that are un-balancing your energy field
- Learn how the Spiritually-Scientific Process of Voice Release can shift your vocal pattern. [Voice Release Dissertation link](#)
